CDC CLASS CHRISTMAS PARTIES
FRIDAY, DECEMBER 18TH
LUNCH HOUR

It is my prayer that you all had a very blessed time with family and friends and that you did not eat too much turkey. We had a wonderful time with so many of you at the parade on the 20th. This is always a day we look forward to and we thank you for coming.

The trend this year has been to start the Christmas season extra early. We have seen Christmas trees and lights going up everywhere. People say we just need Christmas joy during this year 2020 and the spirit of joy is what we seek as well. We are excited to enter December and some of our Christmas activities such as parties, Christmas parade, and Christmas Story with the Pastor as you see on the front cover, but let us not forget to carry the season of thankfulness with us.

As you know the CDC has been having Fun Fridays and we will continue this into December so please see the list on the front for what we have to come.

Please make plans to join us on Friday, December 18 at 10:00 AM for the last Fun Friday of the month-our Christmas Pageant Parade. It is our prayer that through this parade we will be reminded that our Christmas spirit of joy is here all because a baby named Jesus came into the world. We will send out a reminder as the time gets closer and also let you know what each child will need to wear for the parade. We look forward to seeing you on the morning of the 18th.

Again, please make sure to take note of all the other special events on the front cover for the CDC as well as events sponsored by the church that we would love for you to join us in. This is the reason for the season, to join with friends and family in celebration of Christ's birth.

Merry Christmas from your office staff!!!

Government Street Baptist Child Development Center is a ministry of Government Street Baptist Church and is designed for infants through age three. We enlist Christian adults with warm, loving, personalities that will convey God's love to the children in their care. Our desire is to provide a safe, secure, and loving environment for your children, but also a place where they will be spiritually and intellectually challenged at an early age to prepare them for school in the years ahead.

At Government Street Baptist CDC, we believe that the primary responsibility of spiritual, emotional, and social training is the parents. However, we are here to assist you and support you in your efforts as a parent to bring up your child in the nurture and admonition of the Lord. When we work together as a team, your child will become well-educated, well-trained to make right decisions, able to cope with problems, and ready to accept responsibility as appropriate for his or her age.
