THANKSGIVING & CO.

*We will be closed Monday, September 5, 2022*

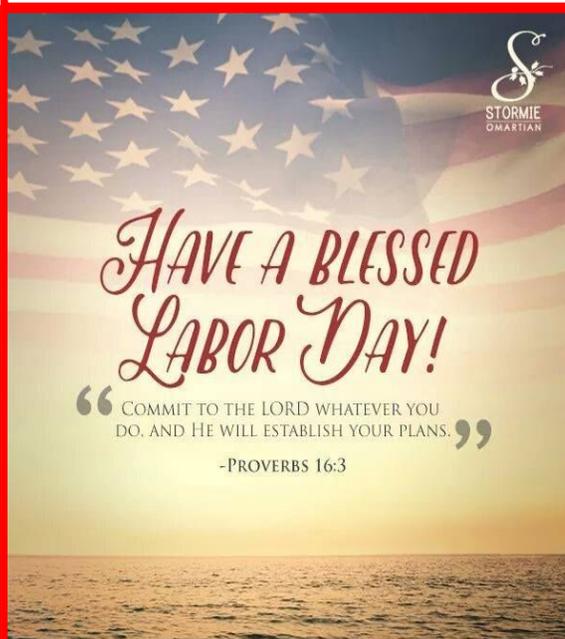

Greetings to everyone! The school year is off to a great start and we want to welcome our new families who have just joined us and thank our returning families for staying with us. I pray God pours blessings and strength on all of you as we all continue to work hard with our jobs and families. With so much to do we can often feel distracted and this is when we need to remember to place our focus on God. I understand that we can all feel discouraged or maybe even fearful during what seems to be a world of chaos and finding times to be still in this chaos is no simple task. Let us remember that we can remain calm in the storm if we take our fears to God. As the Psalmist writes in Psalm 46:1-2, "God is our refuge and strength, a very present help in trouble. Therefore we will not fear..." That same chapter tells us in verse 10 to "Be still, and know that I am God." When we do make time to quiet ourselves before God, something powerful happens. He gives us supernatural rest. He floods our minds with peace. He restores our joy. He whispers to our heart that it all matters, that we matter.

As I walk the halls daily, I can't help but focus on all the blessings God has bestowed on us. I see the precious smiles and laughter as the children run into their classrooms. Even the ones who walk in with tears, quickly turn to laughter and joyous times in the class. I love to see the shaving cream being smeared across the table, the tall towers of blocks being built, the sharing of story time and the proud teachers as their children accomplish tasks for the first time. More than that I love hearing the Bible stories being told, and the Christian music playing as I walk from room to room. I see wonderful sweet stories everyday; please make sure to check our Facebook page for a glimpse of some of these. These are the moments that make me stop and thank God for the privilege to be part of His ministry here and the many ways he brings joy through these precious children.

Thank you for giving G'Street CDC the opportunity to love and care for your child. Please remember we will be closed for Labor Day, Monday, September 5. I hope you enjoy the time with your families and take time to relax, refresh and just Be Still and Be Blessed!

Many blessings,  
Deborah Eddie  
CDC Director
