In spite of attacks all around, the Word of God endures forever (1 Peter 1:25). It gives us a solid foundation on which to build our lives and to stake our eternity. When children are given sufficient time and space to build strong foundations, it Paves the Way to a future where they can make decisions and continue to be critical, creative thinkers and doers. Last week, I was told of a story that proves a child is never too young to learn and lay these foundations for them. One of our 19 month olds was not feeling well. He was waiting for his mom to come get him, rocking and humming ever so quietly. The teacher, listening closely, realized he was humming "Jesus Loves Me." Even a child this young can learn that Jesus is comfort. 1 Corinthians 3:10 says, "According to the grace of God given to me, like a skilled master builder, I laid a foundation and someone else is building upon it." Let us all be reminded of our responsibility to Pave the Way for those who come after us to build on the foundation for these little ones' futures.

On October 6-7, we will have Fall Pictures so we can capture the precious smiles of your little ones. We have sent home a form to you already so if you have not turned this in yet, please go ahead and do this. Our nursery and rooms 111, 113, 115, & 117 will take pictures on October 6, as well as any sibling pictures on this day. On October 7, we will take pictures of our K2 and K3 classes and any make up pictures or redo pictures that are needed. Your child will come home with a sticker the night before their pictures to remind you.

October 26 will be a big evening here that we would like all to join in. This will be our all free tailgate together party-all of Government Street Church, School, and Child Development Center will be participating. It will be from 5:30-8:00, so pick up your child and plan to stay for dinner, games, door prizes and fun. Please wear your favorite team shirt and hang out with us.

To raise money for this tailgate party we are doing a pie your teacher fundraiser. This will be on October 14 and all funds are due by October 13. Please see the office if you need a form.

October 31 will be our in-class Harvest Parties. We will provide lunch and you can feel free to bring a treat for the class to share if you wish. Please let them wear a "non-scary" costume that day for even more fun.

Government Street Baptist Child Development Center is a ministry of Government Street Baptist Church and is designed for infants through age three. We enlist Christian adults with warm, loving, personalities that will convey God's love to the children in their care. Our desire is to provide a safe, secure, and loving environment for your children, but also a place where they will be spiritually and intellectually challenged at an early age to prepare them for school in the years ahead.

At Government Street Baptist CDC, we believe that the primary responsibility of spiritual, emotional, and social training is the parents. However, we are here to assist you and support you in your efforts as a parent to bring up your child in the nurture and admonition of the Lord. When we work together as a team, your child will become well-educated, well-trained to make right decisions, able to cope with problems, and ready to accept responsibility as appropriate for his or her age.
