Celebrate * Honor * Remember

Memorial Day

May is blooming with lots of activity. We will begin our month with thanking all those that nurture and help to raise our children in the training and admonition of the Lord, our mothers and our teachers. The goal of our teachers here is to come along side you the parent, to be an extension of the home, seeking to educate the whole child-spiritually, cognitively, emotionally, socially, & physically. It is the job of our teachers and parents to direct these little ones on to the right path, building their foundation, giving them the necessary awarenesses of God. Let's remember that the purpose of Christian education is the imitation of God. The imitation of God by the child depends upon and conforms to the imitation of God by their teacher or their parent. What the child knows of God is often what he sees in his teacher or parent. The Word of God is our solid foundation on which to build our lives and to stake our eternity, so what better way is there to help direct our little ones than by spending consistent time reading and studying the Word of God and teaching it to our children during their early childhood development. When children are given sufficient time and space to build strong foundations, it Paves the Way to a future where they can make decisions and continue to be critical, creative thinkers, and doers.

Paving the Way for our children is not an easy task, it is not for the faint of heart. This is why we are celebrating and thanking our teachers and our Moms. The week of May 1-5 will be Teacher Appreciation Week. Please take this opportunity to show your child's teacher how much you appreciate everything they do. If you need any ideas, we have "a few of their favorite things" listed in the office, so please stop by.

Then the following week on Friday, May 12, we will honor our Moms with muffins, coffee, juice, and taking pictures of Mommy and child together for a keepsake. This will be available in the lobby from 6:30-8:00 AM. Please make plans to join us.

On Sunday, May 14, we would be honored to have your family join us for a special Mother's Day service here at Government Street Baptist Church. There will also be a professional photo booth available with immediate pictures given to you of your family.

Our K3 are proudly wrapping up the year. They have learned so much and we want to celebrate with them. Therefore, on May 18 at 10:00 AM, we want to invite you to join us for a program where they will show you a little of what they have learned and receive their K3 completion certificate.

If you have not yet re-enrolled your child and turned in the required paperwork for the 2023-2024 school year, please do so ASAP, the last day to receive a discount is Monday, 5/1 and enrollment will be open to the public, so please secure your spot.

Proverbs 22:6 tells us to "Train up a child in the way he should go and when he is old he will not depart from it." I thank God for our teachers and mothers that take this verse to heart on a daily basis and "Pave the Way".

In Christ's love, Deborah Eddie, CDC Director

Government Street Baptist Child Development Center is a ministry of Government Street Baptist Church and is designed for infants through age three. We enlist Christian adults with warm, loving, personalities that will convey God's love to the children in their care. Our desire is to provide a safe, secure, and loving environment for your children, but also a place where they will be spiritually and intellectually challenged at an early age to prepare them for school in the years ahead.

At Government Street Baptist CDC, we believe that the primary responsibility of spiritual, emotional, and social training is the parents. However, we are here to assist you and support you in your efforts as a parent to bring up your child in the nurture and admonition of the Lord. When we work together as a team, your child will become well-educated, well-trained to make right decisions, able to cope with problems, and ready to accept responsibility as appropriate for his or her age.

Please help us spread the word about our great program at Government Street Baptist Child Development Center.
