Happy New Year!!! As the calendar turns, we seek inspiration to chart the course for 2024. Isaiah 43 says, "I will even make a road in the wilderness and rivers in the dessert." It reminds us of God's ability to bring about new beginnings and reflect on blessings even in seemingly impossible situations. Proverbs 16 reminds us that while we make plans, the Lord establishes our steps. May this be our compass for 2024.

Thank you so much to everyone who attended the Christmas Program on December 6. The children worked so hard getting ready to sing and perform for you, and it paid off. They were precious. It is our prayer that you heard the true reason we celebrate the season-the birth of Jesus

Christ and that you believe in Him. We hope you all enjoyed it very much.

Please remember that the CDC will be closed on Monday, January 1 in observance of the New Year and then also on Tuesday, January 2, for a teacher work day. We will see you back to kick off the new year on Wednesday, January 3, 2024. We hope that you and your family have a wonderful day celebrating the start of the new year and it is our prayer that you have a most blessed 2024.

Blessings,
Deborah Eddie, Director

Government Street Baptist Child Development Center is a ministry of Government Street Baptist Church and is designed for infants through age three. We enlist Christian adults with warm, loving, personalities that will convey God's love to the children in their care. Our desire is to provide a safe, secure, and loving environment for your children, but also a place where they will be spiritually and intellectually challenged at an early age to prepare them for school in the years ahead.

At Government Street Baptist CDC, we believe that the primary responsibility of spiritual, emotional, and social training is the parents. However, we are here to assist you and support you in your efforts as a parent to bring up your child in the nurture and admonition of the Lord. When we work together as a team, your child will become well-educated, well-trained to make right decisions, able to cope with problems, and ready to accept responsibility as appropriate for his or her age.
